

**SWEET HOME**  
COMMUNITY FOUNDATION

**November 2024**

SHCF

This is our once-a-year **ASK** for your financial support to our community. **Your past, and future financial gifts, help support all the great things happening here.** The community projects and services supported by SHCF would not be possible without civic-minded people such as you! Can you support us this year? Thank you for caring for your community!

## FALL FUNDRAISER

With the Sweet Home Community Foundation, your tax-deductible gift will stay right here in the Sweet Home community. You can see firsthand the results of your donation!

**GIVE  
WHERE  
YOU LIVE**

At the Sweet Home Community Foundation, we provide grants to worthy local projects and assist community groups in fundraising by offering their donors a tax-deductible giving option.

Whether it's supplying meals to shut-in seniors; purchasing electronic scoreboards for the Sweet Home Boys & Girls Club; buying camping and survival equipment to teach young people the skills necessary to thrive in the outdoors; providing child safety seats/vitamins for local new-born infants, purchasing portable tables + chairs for use at community events, and many, many more worthy projects over the years, we are here to help!

Follow our Facebook page: Sweet Home Community Foundation

# Fall Fundraiser

The SHCF Board of Directors are all volunteers and made up of your friends and neighbors. Bob Burford, Karla Hogan, Terry Martin, Nick Tyler, Vance Monroe, Jennifer Hill, Courtney Paul, Tami Nightingale, Tina Larsen and Wendy Younger all serve at SHCF. **Absolutely all money received helps us carry out our mission to our community.** There are no stipends, no executive board junkets, and we take our financial stewardship duties very seriously.

Give Where You Live and help make Sweet Home even stronger! All the best this Holiday Season!

## 3 WAYS TO GIVE

Thank you for considering donating this year and into the future. To donate:

- Fill out the donation form
- Visit [giveshcf.org](https://giveshcf.org) and click the donate button.
- Use the QR code.
